EXECUTIVE SUMMARY
AUDIT EXAMINATION OF THE
BUTLER COUNTY
SHERIFF'S SETTLEMENT - 2007 TAXES

For The Period
June 29, 2007 Through May 2, 2008

Douglas R. Wise & Company, PSC has completed the audit of the Sheriff's Settlement - 2007 Taxes for Butler County Sheriff for the period June 29, 2007 through May 2, 2008. We have issued an unqualified opinion on the financial statement taken as a whole. Based upon the audit work performed, the financial statement is presented fairly in all material respects.

Financial Condition:

The Sheriff collected taxes of \$2,489,775 for the districts for 2007 taxes, retaining commissions of \$103,188 to operate the Sheriff's office. The Sheriff distributed taxes of \$2,382,102 to the districts for 2007 taxes. Taxes of \$2,722 are due to the districts from the Sheriff and refunds of \$2,493 are due to the Sheriff from the taxing districts.

Report Comment:

- The Sheriff's Office Lacks Adequate Segregation of Duties

Deposits:

The Sheriff's deposits were insured and collateralized by bank securities.

Members of the Butler County Fiscal Court

Independent Auditor's Report

We have audited the Butler County Sheriff's Settlement - 2007 Taxes for the period June 29, 2007 through May 2, 2008. This tax settlement is the responsibility of the Butler County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Sheriff's Tax Settlements issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement on a prescribed basis of accounting that demonstrates compliance with the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Butler County Sheriff's taxes charged, credited, and paid for the period June 29, 2007 through May 2, 2008, in conformity with the modified cash basis of accounting.

In accordance with Government Auditing Standards, we have also issued our report dated August 22, 2008 on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

To the People of Kentucky
Honorable Steven L. Beshear, Governor
Jonathan Miller, Secretary
Finance and Administration Cabinet
Honorable David Fields, Butler County Judge/Executive
Honorable Joe Gaddie, Butler County Sheriff
Members of the Butler County Fiscal Court

Based on the results of our audit, we present the accompanying comment and recommendation, included herein, which discusses the following report comment:

- The Sheriff's Office Lacks Adequate Segregation Of Duties

Respectfully submitted,

BUTLER COUNTY
NOTES TO FINANCIAL STATEMENT

May 2, 2008

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Deposits

The Butler County Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

BUTLER COUNTY
NOTES TO FINANCIAL STATEMENT
May 2, 2008
(Continued)

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the Sheriff's deposits may not be returned. The Butler County Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 41.240(4). As of May 2, 2008, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Tax Collection Period

A. Property Taxes

The real and personal property tax assessments were levied as of January 1, 2007. Property taxes were billed to finance governmental services for the year ended June 30, 2008. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 16, 2007 through May 2, 2008.

Note 4. Interest Income

The Butler County Sheriff earned \$449 as interest income on 2007 taxes. The Sheriff distributed the appropriate amount to the school district as required by statute, and the remainder was used to operate the Sheriff's office. As of August 22, 2008, the Sheriff owed \$14 in interest to the school district and \$16 in interest to his fee account.

Note 5. Sheriff's 10% Add-On Fee

The Butler County Sheriff collected \$18,282 of 10% add-on fees allowed by KRS 134.430(3). This amount was used to operate the Sheriff's office.

Note 6. Advertising Costs And Fees

The Butler County Sheriff collected \$4,970 of advertising costs and advertising fees allowed by KRS 424.330(1) and KRS 134.440(2). The Sheriff distributed the advertising costs to the county as required by statute, and the advertising fees were used to operate the Sheriff's office.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable David Fields, Butler County Judge/Executive
Honorable Joe Gaddie, Butler County Sheriff
Members of the Butler County Fiscal Court

Report On Internal Control Over Financial Reporting And On
Compliance And Other Matters Based On An Audit Of The Financial
Statement Performed In Accordance With Government Auditing Standards

We have audited the Butler County Sheriff's Settlement - 2007 Taxes for the period June 29, 2007 through May 2, 2008, and have issued our report thereon dated August 22, 2008. The Sheriff prepares his financial statement in accordance with a basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Butler County Sheriff's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Butler County Sheriff's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Butler County Sheriff's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with the modified cash basis of accounting which is a basis of accounting other than generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statement that is more than inconsequential will not be prevented or detected by the entity's internal control over financial reporting. We consider the deficiency described in the accompanying comment and recommendation to be a significant deficiency in internal control over financial reporting.

- The Sheriff's Office Lacks Adequate Segregation Of Duties

Report On Internal Control Over Financial Reporting And On
Compliance And Other Matters Based On An Audit Of The Financial
Statement Performed In Accordance With Government Auditing Standards
(Continued)

Internal Control Over Financial Reporting (Continued)

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the entity's internal control. Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we consider the significant deficiency described above to be a material weakness.

Compliance And Other Matters

As part of obtaining reasonable assurance about whether the Butler County Sheriff's Settlement – 2007 Taxes for the period June 29, 2007 through May 2, 2008, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management, the Butler County Fiscal Court, and the Department of Local Government and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

A handwritten signature in black ink that reads "Douglas R. Wise & Company PSC". The signature is written in a cursive, flowing style.

COMMENT AND RECOMMENDATION

BUTLER COUNTY
JOE GADDIE, SHERIFF
COMMENT AND RECOMMENDATION

For The Period June 29, 2007 Through May 2, 2008

INTERNAL CONTROL – SIGNIFICANT DEFICIENCY AND MATERIAL WEAKNESS:

The Sheriff's Office Lacks Adequate Segregation Of Duties

The Sheriff's office has a lack of segregation of duties. The Sheriff's bookkeeper collects money, prepares deposits, prepares daily collection printouts and reconciles bank accounts. The Sheriff's bookkeeper prepares monthly reports, writes and signs checks to taxing districts then mails checks and reports to the districts. Due to the entity's diversity of official operations, small size and budget restrictions the official has limited options for establishing an adequate segregation of duties. We recommend that the following compensating controls be implemented to offset this internal control weakness:

- The Sheriff should periodically compare a daily bank deposit to the daily checkout sheet and then compare the daily checkout sheet to the receipts ledger. Any differences should be reconciled. He can document this by initialing the bank deposit, daily checkout sheet, and receipts ledger.
- The Sheriff should periodically compare net taxes collected per the monthly tax distribution reports to the receipts ledger for accuracy. Any differences should be reconciled. The Sheriff can document this by initialing the monthly tax distribution report.
- The Sheriff should periodically compare payments to taxing districts to checks. The Sheriff can document this by initialing the monthly tax distribution reports, noting that payment amounts were agreed to checks.
- The Sheriff should periodically compare the bank reconciliation to the balance in the checkbook. The Sheriff can document this by initialing the bank reconciliation and the balance in the checkbook.

Sheriff's Response: The official did not respond.
